The production of High Quality Stainless Steel exhaust systems complements the Race and Performance range of products already now synonymous with the CARGRAPHIC name.

With German design and the engineering skills of Cargraphic combined with the Quality of Traditional Hand Made British Craftsmanship from PHOENIX PERFORMANCE EXHAUSTS, we produce one of the finest exhaust systems on the market, ask any PORSCHE driver who has our system fitted to their car.

All our manifolds & systems are manufactured in the UK from the highest quality 304 grade Stainless Steel and are mandrel bent on state of the art CNC bending machines, all internals are 304 Stainless Steel and high tech Laser cut flanges, heatshields and brackets are used.

We do not compromise Quality for Cost.

CARGRAPHIC together with PHOENIX are now proud to announce the re-launch of our AUDI range of performance exhausts for the older models right through to the very latest. Choose from a variety of designs, sound levels and interchangeable tail pipes. Experience the High Quality build, ease of fittment, unique sound and exclusive look for your AUDI from CARGRAPHIC Gmbh.
